## FAMILY LIFE MINISTRY

### MARRIAGE

#### **T** **Celebrating Marriage:** *Cultivating sexual intimacy and marital passion*

Research shows that the best sex is enjoyed within a committed, monogamous marriage. Yet many married couples struggle in the areas of emotional and physical intimacy. What prevents us from baring it all to our spouse? Acquire time-tested practical wisdom for a candid insight into what can enhance your love life and turn a good marriage into a great marriage!

#### **W** **Connect2 Marriage Preparation**

*Connect2 Marriage Preparation Workshop* aims to help couples address issues that you may face as newlyweds, build a solid foundation in the early years, and learn how to really love each other — for life.

### PARENTING

#### **T** **Raising Relationally-Smart Kids:** *An integrated approach to love, sex and relationships*

Talking about sex can be one of the most daunting tasks for parents, especially if we never had the subject broached with us when growing up. How then can we confidently discuss healthy sexuality, love, and relationships with our children? Discover how you can equip your child to make wise decisions from young for their body and in their relationships.

#### **T** **Raising Resilient Kids:** *Building B.O.U.N.C.E. for the bumps in life*

We live in an increasingly fast-paced and competitive society often described as a VUCA (Volatile, Uncertain, Complex, Ambiguous) world, where the pressure to succeed and perform can leave our children feeling more overwhelmed than motivated. How can we nurture our child's psychological resilience to better manage stress? Be empowered to emotionally coach your child towards a positive and healthy attitude for learning and living.

#### **T** **Raising Growth-Minded Kids:** *Navigating school transitions with confidence*

Transitions are a part and parcel of life, but how can we prepare our children for them? Understand your child's changing world and learn how you can equip your child holistically to embrace change and adapt to a new environment, so that they get along well with others and confidently engage the world.

#### **T** **Raising Screenwise Kids:** *Empowering kids to navigate the virtual world*

With so much of our children's time now spent online, how can we raise them to be screenwise and future-ready? It can be a parent's greatest challenge to set limits on screentime and boundaries around digital content consumption. Yet if done right, our children can be empowered to consume media wisely. Learn how you can create a healthy, balanced relationship with technology for your child that goes beyond mere rules and restrictions.

## **SexEd™ Workshop: Cultivating secure identity, true intimacy & authentic relationships**

Today's highly sexualised culture can overwhelm us with conflicting ideas about love, sex, and relationships. Explore God's design for sexuality and relationships in 5 modules:

1. **Sexual Identity:** What determines my sex? How do I know my sexual orientation? What's wrong with premarital sex?
2. **Sexual Integrity:** What is the purpose of sex? What does sexual wholeness mean to me? How important is sexual health and purity?
3. **Sexual Intelligence:** How do values and sexual consent affect decision making? How can I navigate love and relationships?
4. **Sexual Issues:** How do I make sense of the different sexual orientations and gender identities? How does masturbation, pornography or abortion affect me?
5. **Sexual Discourse:** How can I have a safe conversation about sexuality? What do I do when my sexual values differ from the crowd?

W

## **The Modern Family [Youth Edition]: Understanding LGBTQ relationships & activism**

With so much talk and constant media bombardment on LGBTQ issues, how can we make sense of homosexuality and same-sex attraction from a Christian perspective?
