FAMCHAMPS

FamChamps® is a youth development initiative of Focus on the Family Singapore that raises young family champions in Singapore who believe in, live out and champion family. Since 2014, we have partnered secondary schools and other organisations to equip, empower and commission youths to represent their generation in bringing change to their communities, starting with the family.

YOUTH (Primary 6 & Up)

T FamChamps® Assembly | All in the Family: **Talk** *Bridging the communication gap with parents*

The generation gap isn't a new phenomenon but has been accentuated by a fast-paced world of modern digitalisation. Yet, the need for youths to connect with parents remains and is perhaps even more critical in a remote-controlled, online world. Be inspired with practical solutions to overcome the hurdles to effective communication and meaningful conversation at home!

T FamChamps® Assembly | All in the Family: **Love** *Showing appreciation for and to the family*

Everyone desires a good family and home environment, but transiting into adolescence and through teenage life can prove tricky for both youth and parents. How can we overcome the awkwardness in relationship to express appreciation and cultivate a stronger bond with our parents? Discover how love can start with you, regardless of life's circumstances or our family's situation.

W FamChamps® Workshop | All in the Family: **Acknowledge** *...how your family of origin shapes who you are*

Ask almost any youth, and they would say that family is important. But how exactly does family make a difference in their lives? Through this interactive workshop, youths will explore their family experiences and relationships to discover the true value of family!

W FamChamps® Workshop | All in the Family: **Appreciate** *...the importance and role of parents in a teenager's life*

"Why can't my parents understand me?" "Why are my parents like that?" Misunderstanding and miscommunication between parent and child are common, but can they be of any good? Through this interactive workshop, youths will discover how parents think and learn useful tips to communicate with them.

W FamChamps® Workshop | All in the Family: **Advance** *...your dream for your present and future family*

"What's the difference between infatuation and love?" "When should I start a relationship?" "Is there still such a thing as love at first sight?" Through this interactive workshop, youths will better understand love in relationships and start thinking about the future spouse and family they would like to have.
